SAMUEL KANYI

Snr. Full stack Developer

ABOUT ME

My name is Samuel Kanyi and most of my friends call me Sam. I am a fullstack developer and currently staying in Kenya.I have strong technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of clients. I am eager to be challenged in order to grow and further improve my developer skills. My greatest passion in life is using my technical know-how to benefit other people and organisations.
